

Rimini International Choral Competition 2020

Competition Rules

Please read the rules very carefully as they contain all the details necessary regarding the choice of a choir's programme and the criteria for adjudication. Each choir must be familiar with the rules.

Registrations for the **Rimini International Choral Competition (online) 2020** must be submitted using the appropriate online form by 31 October 2020. The Competition **will take place from Friday 11th to Sunday 13th December 2020**. All events will be presented in 'live premiere' on [Riminichoral YouTube channel](#) and then remain available for deferred viewing.

Entries will be registered in order of arrival and must contain all the required data and attachments. The Choirs, within one week, will receive the confirmation of the registration or the request of the missing entries and will be invited to pay the registration fee, whose details are explained in point '6-Costs'. 1 - Competition Classes

The Rimini International Choral Competition includes six normal categories (A, B, C, D, E, F) and a special category (X).

Each Choir may participate in no more than three normal competition classes.

A - Equal Voice Choirs (Male or Female).

B - Mixed Choirs.

C - Children and Youth Choirs (Male, Female, Mixed, with a maximum age of 20 years. A maximum of 10% of participants over the given age limits is allowed, but in any case within 24 years of age. The organisers reserve the right to check the age of the choristers and to evaluate particular cases).

D - Choirs with popular and or spiritual/gospel repertoire (Male, Female, Mixed).

E - Sacred Music (Male, Female, Mixed, Children and Youth Choirs).

F - Virtual Choirs (Male, Female, Mixed, Children and Youth Choirs).

X - "Gran Prix of the Rimini International Choral Competition" (first and second place finishers in categories A, B, C, D, E if their score is 80.01 or higher must be prepared to compete in this category). If a choir is a winner in more than one category, the same choir will participate only once in category X (Grand Prix) representing the first category, in chronological order, where it placed best between the two winners. Then the choir that came third in the second category will participate in category X.

Example: The mixed choir *Choral* first wins Category E, then it wins Category A participating only with the male singers and arrives second in Category C, reaching a score higher than 80,1 in all cases. Choir *Coral* will then participate in the Grand Prix as a mixed choir representing category E together as also the choir arriving 2nd in that Category. For category A, 2nd and 3rd place choirs will sing in the Grand Prix and for category C 1st and 3rd place choirs.
